

## Who We Are

Martin and Associates is an accounting and information technology consulting firm specializing in providing small to medium sized companies the right business software solution. Founded in 1988 and chartered as a CPA firm, Martin and Associates is dedicated to providing the best solutions available for our customers.

## What We Do

Martin and Associates provides business solutions through technology for small to medium sized businesses. Martin and Associates represents the leading middle-market ERP and CRM solutions such as Microsoft Dynamics GP, Microsoft Dynamics CRM, Sage MAS 500 ERP, Sage MAS 200 ERP, Sage MAS 90 ERP, MAS 200 ERP for SQL Server, Sage SalesLogix, Abra HRMS, FAS Fixed Assets, and Intuit QuickBooks Enterprise Suite. Martin and Associates is also an active member of the Sage Software Accountants Network (SSAN), which provides support and assistance in developing public accounting alliance relationships. Martin and Associates also provides support for the leading network operating system platforms, including Microsoft Windows 7, Vista and Windows XP.

## Where We Are Located

Martin and Associates is located at 10385 Spartan Drive, Cincinnati Ohio 45215. Our phone number is (513) 772-7284 and our fax number is (513) 772-4529. Although this location allows us to provide localized service to the tri-state area, we can deploy professionals anywhere that our customers need us to be.

## Why We Do It

Technology in the business world is changing on a daily basis. Business owners and professionals can not just concentrate on their core business objectives anymore, they must be aware of how technology is effecting their business and utilize that knowledge to develop a competitive advantage. Martin and Associates provides businesses this competitive advantage by leveraging the knowledge and experience of Martin and Associates' highly qualified staff. Our primary goal is to help our customers grow by providing the right business solution.

## How We Do It

Martin and Associates' staff is made up of professionals with vast business backgrounds and experiences. They include CPAs, MCSEs, MCPs, CITPs, MCSDs and other accounting and technology professionals. Martin and Associates encourages all of their professionals to stay on the leading edge of technology by providing state of the art training in many areas of business technology. This commitment to the learning process is the reason that Martin and Associates can provide your business with highly qualified professionals to help solve your business challenges.
